## MANAGEMENT DISCUSSION ANALYSIS REPORT

### BACKGROUND:

Goenka Business & Finance Limited (GBFL) is a Non-Banking Finance Company (“NBFC”), holding a Certificate of Registration from the Reserve Bank of India (“RBI”). The GBFL is non deposit accepting NBFC engaged in financial services. The Company has its registered office in Kolkata and Corporate office at Ahmedabad.

The Management Discussion and Analysis Report (MDAR) provide an insight into the performance of the company in the previous years, in the current year and its future plans besides the risks, and uncertainties associated with the Company’s business along with the management perception and vision to win over the anomalies of future business situations. The Management Discussion and Analysis Report (MDAR) contain management’s interpretation of financial performance of the Company more over actual results are reflected in the financial statements which should be studied in consonance with the Management’s Perspective.

### GLOBAL ECONOMY:

The ferocity of the COVID-19 second wave has overwhelmed India and the world. War efforts have been mounted to stop the second surge in its tracks. Real economy indicators moderated through April-May 2021. The biggest toll of the second wave is in terms of a demand shock - loss of mobility, discretionary spending and employment, besides inventory accumulation, while the aggregate supply is less impacted.

Among major economies, US growth is projected to reach 6.8 per cent this year, reflecting large-scale fiscal support and the easing of pandemic restrictions. Growth in other advanced economies is also firming, but to a lesser extent.

Among emerging markets and developing economies, China is anticipated to rebound to 8.5 per cent this year, reflecting the release of pent-up demand, the Bank said in its report.

“Globally coordinated efforts are essential to accelerate vaccine distribution and debt relief, particularly for lowincome countries. As the health crisis eases, policymakers will need to address the pandemic’s lasting effects and take steps to spur green, resilient, and inclusive growth while safeguarding macroeconomic stability.”

### INDIAN ECONOMY:

India’s economy is expected to grow at 8.3% for Fiscal Year 2021-22 as per the World Bank’s latest projections. This rate, however, masked the damage caused by the “enormous” second wave of COVID-19, the Bank said in its *June 2021 Global Economic Prospects* released on Tuesday. The world economy is expected to expand 5.6%, the fastest post-recession growth rate in eighty years, but global output will still be 2% below pre-pandemic projections by year-end.

### INDUSTRIAL STRUCTURE AND DEVELOPMENTS:

NBFCs have become integral for all business services, including loans and credit facilities, retirement planning, money markets, underwriting and merger activities. As such these companies play an important role in providing credit to the unorganized sector and for small borrowers at local level. Additionally, hire purchase finance is also the largest activity of NBFCs and the rapid growth of NBFCs has gradually blurred the lines between banks and NBFCs although commercial banks have retained importance. These NBFCs facilitate long term investment and financing, which is challenging for banking sector, and the growth of NBFCs widens range of products available for individuals/ institutions with resources to invest.

Several NBFCs are today facing an existential threat. Once a stressed NBFC defaults, the resultant downgrading not only dents its reputation, it closes most avenues of resource mobilization, virtually ending its chances of a revival. The failure of a few NBFCs can have a domino effect forcing many MSMEs to go belly-up. Also, it is worth noting that NBFCs can fill in a void created by banks, but the converse is not possible, as NBFCs enjoy certain inherent strengths and advantages which the banks cannot match.

In the present scenario of financial situation, there is a huge need for NBFC as the banks alone cannot sufficiently fulfill the needs of the society. There is a wide range of services provided by NBFCs such as providing loans, investments, equipment finance, hire-purchase finance, housing finance, and various other things.

#### **OPPORTUNITIES & THREATS:**

Non-banking financial companies (NBFCs) have played a pivotal role in meeting the financial needs of individuals and business that have traditionally remained un-served or underserved by banks. But the regulations for NBFCs have become stricter in recent times, the cost of borrowing has increased and NBFCs are focusing on niche markets and personalised products and services. NBFCs are now more focused on developing innovative products and catering to low-income, urban customers in unorganised sectors. In such a scenario, NBFCs are adopting business and operational models powered by technologies that seamlessly facilitate the design, launch, implementation and execution of tailored products and services.

Non-performing assets have been a challenge not only the banks but as well as for the NBFCs. With the new credit customers, the risk remains higher as compared to those customers who have a credit history. Therefore, NBFCs continuously works on checking and balancing so as to make sure that the EMLs are on time and records of the Customers remains up to date and any issues are notified immediately.

Further, NBFCs involves less paper work. The NBFCs are performing in a unique way, by which it can access creditworthiness of the people and provide them loans with less paperwork.

NBFC as there are no competitions due to probable risk and the new to credit segment provides a huge opportunity for NBFCs to expand their market base in villages and tier 2 & 3 towns across the country. Majority of population in India lives in areas where banks would not provide loans and financial services because of the absence of requisite paperwork. And such people look for financial help and are capable of returning the loan but face the problem due to paperwork and are denied loans. There NBFCs, becomes a source of help to provide financial aid as it involves less paper work.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report on that fact. We have nothing to report in this regard.

## **Management's Responsibility for the Standalone Ind AS Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134 (5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs, Profit (including other comprehensive income), changes in equity and cashflows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safe guarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of directors is also responsible for overseeing the company's financial reporting process.

## **Auditor's Responsibility**

Our objectives are to obtain reasonable assurance about whether standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decision of users taken on the basis of these standalone financial statements.

As a part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedure responsive to those risk, and obtain evidence that are sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than the one resulting from error, as fraud may involve collusion, forgery, intentional, omission, misrepresentation, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedure that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial control system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **Annexure B to the Auditor's Report**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **GOENKA BUSINESS FINANCE LIMITED** ("the Company") as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

#### **Management's Responsibility for Internal Financial Controls**

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
